

Our philosophy on rewards is simple: we believe that when excellent performance is acknowledged and rewarded, people are more motivated and work harder and smarter. The idea behind our compensation and benefits program is to encourage and support actions to attract and retain good talent. The company believes that employees are its most important asset and thus providing attractive employee benefits is an investment to drive company growth. The benefits package and specific details of our program vary, based on the country of employment.

Employee benefits include:

- Monthly Salaries with Overtime
- Paid Travel Expenses
- Medical insurance
- Paid Vacation Days
- Paid Sick leave
- Bonus programs
- Advanced IT Training
- Processing of the Work Visa (H1-B Visa)
